End Carpal Tunnel Pain

and get back to enjoying life in just one day.

See Dr. Paterson perform a live Release and Relief procedure.

If carpal tunnel symptoms such as numbness, pain, tingling, or weakness keep you away from every day activities, you'll want to join us for this free seminar with Dr. Paul Paterson.

Learn about the innovative procedure – Release and Relief, and find out how you can get relief in just one day!

A hand and upper extremity specialist, Dr. Paterson treats injuries and conditions from the finger tips to the shoulder.
