

**General Physician, PC – Women's Health**  
*Urogynecology – Dedicated to the treatment  
of pelvic floor disorders.*

**You don't have to  
suffer in silence.**

Armen Kirakosyan, MD

*Focusing on women's  
health, wellness  
and quality of life.*

**Dr. Kirakosyan** - Board-certified in Obstetrics & Gynecology,  
and one of the very few United States board-certified specialists in  
Female Pelvic Medicine and Reconstructive Surgery (Urogynecology).

At **General Physician, PC, Urogynecology**, we offer the experience and compassion our patients want and need. We provide a wide variety of innovative treatments and solutions to problems that can affect a woman's health.

Urogynecology is a sub-specialty of obstetrics and gynecology dedicated to the treatment of pelvic floor disorders, such as, problems with tissue relaxation (prolapse), urinary, bowel and sexual dysfunction. It involves the diagnosis and treatment of the following conditions:

Urinary Incontinence, Frequency and Urgency • Overactive Bladder  
Pelvic Organ Prolapse • Vaginal Dryness • Vaginal Mesh Complications  
Pelvic/Vaginal Pain • Painful Bladder Syndrome
